In-Kind Donations: Contributions that are mission appropriate may be accepted by faculty/staff and administration with the approval of the Head of School. Such donations are communicated to the development staff by the receiving faculty/staff member or administrator. The School reserves the right to sell or otherwise dispose of the personal property. Responsibility for substantiating the value of a gift for IRS purposes belongs to the donor. If the donor desires a tax valuation that exceeds \$5,000, an independent outside appraisal must be documented by the donor at his/her expense.
