

## Dress Guidelines - Uniforms

Proper attire has been selected for Trinity School of Texas students in accordance with handbook and policies which will not (1) offend fellow students, staff, or administrators; (2) call attention to the individual student; or (3) distract from the teaching and learning environment. The administration reserves the right to determine if a student is dressed and groomed appropriately and may ask the student to make changes if they deem it necessary. Trinity has chosen to implement the dress code policy by the adoption of a uniform program. Students are expected to adhere to the dress code while officially representing Trinity School of Texas.

## Standard of Dress

- All general uniform guidelines must be followed every day with the Daily uniform, Chapel uniform, and Friday Dress, including field trips, guest speaker days, and other special events unless announced by the administrator.
- Students are expected to look neat at all times. Clothes must be clean, ironed, without holes or tears, and fit properly.
- Logos and crests must be the official ones in size, color, and design. The official logo should be on all polo and oxford style shirts.
- Something that a student wears that is within the dress code guidelines but becomes a distraction to other students or the classroom can be prohibited at the teacher's or administration's request.
- Boys: Hair must be well-groomed and should not be dyed an unnatural color: hair style neat and clear of the eyebrows and bottom of the ears. No earrings or body piercings.
- Girls: Hair must be well-groomed and should not be dyed an unnatural color: no other body piercings; no extremes in hair length, style, or color.

### LENGTH GUIDELINE: Bottoms (Skirts/Jumpers/Shorts/Skorts)

**MUST BE NO SHORTER THAN THREE (3) INCHES ABOVE THE KNEE IN THE FRONT AND BACK.**

- Jewelry and makeup should not call attention to the individual student or become a distraction. Jewelry and shoes can also become a safety issue (i.e. dangly issues, shoes with a heel or no back) and should not be worn to school. Consequences for distractions concerning jewelry and shoes will be at the discretion of the classroom teacher and/or administration.
- The dress code is in effect throughout the day and when students are representing the school.
- Parents are expected to take an active role in helping their children conform to the dress code.
- A student who does not comply with the dress code will be subject to disciplinary actions.

## Dress Code Violations

- For students through 5th grade, dress code violations are communicated through classroom teachers.
- For students in 6th through 12th grades, the following applies:
  - 3 dress code violations within a grading period = the student loses Friday spirit wear dress privileges for three weeks.
  - 5 dress code violations within a grading period = the MS/US Head will schedule a conference with the student and parents to develop a plan for adherence to the dress code, and to review additional consequences.
- The Trinity Trading Co. will be utilized at the Head of School's discretion to correct severe and persistent noncompliance with dress code violations. Student accounts will be billed for uniforms not returned to the store.
- Parents may be called to bring appropriate clothes to students out of compliance of the dress code.
